Ohas. Canfield, of Litchfield, was in town Saturday, and in talking about the ball game which was played between the Medina and Litchfield nines, said that their nine was defeated by the umpire. As it was, their team gave the Medina boys a good game. Canfield feels proud over the fact that they hold the championship on rope-pulling, having won it three different times. The next contest between Medina and Litchfield will probably be a clay pigeon shoot.

"WHAT THEY SAY"

Is the title of an exceedingly well printed and finely illustrated booklet, which has just been issued and distributed by the Chicago & North-Western Ry., describing their electric lighted, 29th century train, "the North-Western Limited." It is unique in design and composition and affords entertaining reading. A copy will be sent to any address by D. W. Aldridge, 127 The Arcade, Cleveland, Ohio.

The Maccabees Booming.

Wellington tent No. 106, K. O. T. M., is increasing its membership at a rapid rate. Nearly forty applications have been received since February 1, 1899.

This marvelous growth is due to the fact that those who are already members have taken upon themselves to secure new members.

Another good reason why so many are interested, is because of the public meeting which was recently held in this place when Attorney A. R. Webster, an enthusiastic member, in a grand speech, told why the Maccabees order stands at the head of all similar organizations. There are many other good reasons why this is the most popular fraternal and beneficial society in existence to-day.

The degrees will be conferred upon thirty or more candidates Thursday evening, June 29.

The Farm Journal is 22 years old, prints 40 tons of paper a month, and is out of debt; it is cut to fit every progressive farmer and villager. Don't you want this fine little paper? Very well, pay a year ahead for The Wellington Enterprise and we will have the Farm Journal sent to your address for the balance of 1899 and all of 1900, 1901, 1902 and 1903—nearly five years—and it will get to you if alive and anywhere on this planet.

In a Nutsell.

The K. O. T. M. looks after you while in health; it provides for you in sickness; it contributes to your own support in case of total and permanent disability and old age; and when you die, it will remove that mortgage and provide for the widow and orphan.

For further information and application blanks, apply to W. W. Helman, record keeper.

Will Put Down Test Wells.

If there is any oil in the ground near Grafton, people will soon know it. A representative of a syndicate of Findlay has been for two weeks leasing land for oil purposes. He leased about 350 acres of Messrs. Jones, Strickland and Nesbitt a short distance southeast of Grafton. He also obtained options on land in other parts of the township. Deep test wells will be put down within ninety days. The machinery for drilling will arrive this week.—Grafton News.

More Men Wanted.

There never was a time when labor of all kinds was in such demand in Elyria as it is today. Contractors are in despair, being utterly unable to secure help to complete the contracts already taken. Carpenters, masons, painters, paper hangers, in fact all kinds of tradesmen as well as common laborers are wanted by the dozen. It is safe to say that one hundred men could find profitable employment in Elyria today. The wages paid are good, and surrounding towns with idle men can send them here with the assurance of employment. There is not of necessity an idle man in Lorain county today.—Elyria Reporter.

Why Join the K. O. T. M.

1. Because membership in the K. O. T. M. is practically non-forfeitable except by your own act.
2. Because the K. O. T. M. has over \$600,000 in an emergency fund, invested in U. S. government bonds, to back up its benefit certificates.
3. Because in this order the fraternal and social advantages are equal to the best.
4. Because you do not have to die to win. Its "living" features are sick, accident and funeral benefits, total and permanent disability benefits and old age benefits.
5. Because there are no assessments on death. Each beneficial member pays one assessment each month, and payments may be made six months in advance. The cost is less than one-half that of the old line insurance.
6. Because every Maccabee when he reaches 70 years of age becomes the possessor of a paid-up certificate. At that age all assessments cease, while all benefits are still payable as provided by the laws. The same benefits follow total and permanent disability.

BIGGLE HORSE BOOK.

Biggle Horse Book, advertised in another column, contains more "horse sense" than many volumes ten times its size. It tells all about breeds, about feeding and watering, about stable and road management, of whips and vices, of harness, of diseases and remedies, of breeding and colt education, of shoeing, and indeed it covers the whole subject in a concise, practical and interesting manner. It contains 128 pages, is profusely and beautifully illustrated, and handsomely bound in cloth. Every man or woman who drives a horse should have a copy. The price is 50 cents, free by mail. Address the publishers, Wilmer Atkinson Co., Philadelphia.

IF YOU HAVE PAIN IN YOUR BACK,

Let us give you a piece of advice: Pain in the back is an almost infallible sign of Kidney disease; a sure sign is the condition of your urine, if you have a pain in the back then look to the condition of your urine. It is easily done. Take a glass tumbler and fill it with urine, after it has stood 24 hours; if it has a sediment, if it is milky or cloudy, if it is pale or discolored, stringy orropy, your Kidneys and Bladder are in a dangerous condition and need immediate attention, or the consequences may prove fatal.

Dr. David Kennedy's Favorite Remedy is the one medicine that really cures all diseases of the Kidneys, Liver, Bladder and Blood, Rheumatism, Dyspepsia and Chronic Constipation and corrects the bad effects of whiskey and beer on the system. It is wonderful how it makes that pain in the back disappear, how it relieves the desire to urinate often, especially at night, and drives away that scalding pain in passing water and in a remarkably short time makes you well and strong. Dr. David Kennedy's Favorite Remedy is sold at all drug stores for \$1.00 a bottle, or six bottles for \$5.00.

If you would like to try this wonderful medicine you can do so absolutely free. Send your full name and address to the DR. DAVID KENNEDY CORPORATION, Rondout, N. Y., when a free trial bottle, together with a pamphlet of valuable medical advice, will be sent you by mail postpaid, providing you mention this paper when you write. The publishers of this paper guarantee the genuineness of this liberal offer.
